

Corona Virus Social Story

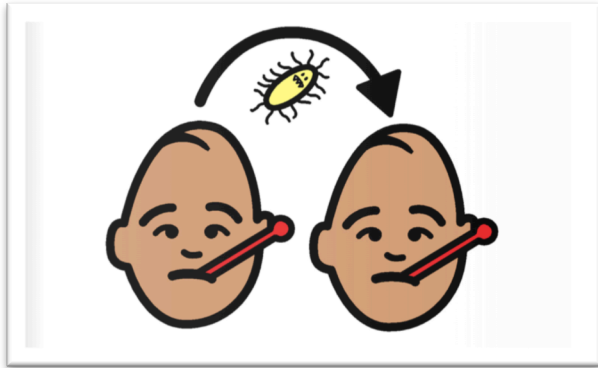

Sometimes people get sick

When someone gets sick, it is because of germs. Germs are tiny things that live all around us.

There is a new sickness called the Corona Virus.

The Corona Virus germs spread VERY easily

A lot of people may get sick

Staying inside and washing my hands will help keep me healthy

When I wash my hands, I can sing "Happy birthday" or count to 20!

This will make sure my hands are clean and healthy

Stores, restaurants and recreation centers will be closed

It will be OK because they will open again when things are safe

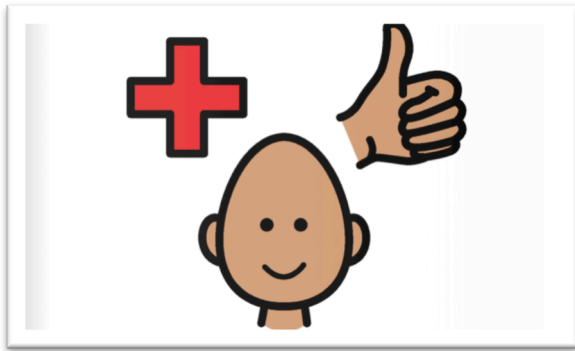

While the stores, restaurants and recreation centers are close, they will clean them to get rid of the germs

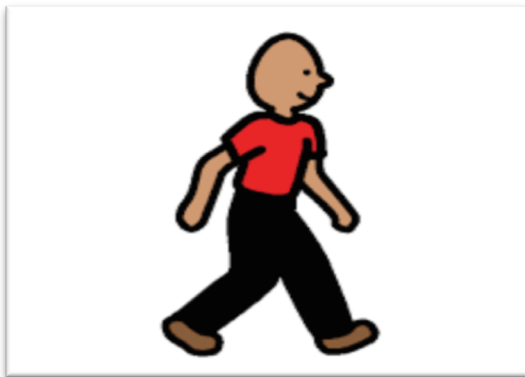

I will stay home with my staff

My daily routines will stay the same

I will stay healthy and safe at home

There are plenty of activities I can do at home. My staff will help me with activities.

I can go for lots of walks or play basketball with my staff outdoors

My parents, staff and friends want me to stay happy, safe and healthy.

Everything will be OK.
